

MEETING & TRAINING VENUE

It was a great day, people enjoyed the event and the venue. My great thanks go to the staff team from the church who laid on a lovely lunch and coffee and tea and helped us out with technical glitches. It all went very smoothly; the nave and church are looking wonderful, the breakout area, entrance lift and offices look fantastic.
 Mark, Architects Accredited in Building Conservation

The booking was superb, the staff and support brilliant, everything we wanted. Everyone was so willing to accommodate us and the use of the total centre for a set price was a good arrangement.
 Peter, Climate Coalition

The booking was absolutely lovely, a brilliant centre with really helpful and friendly staff and support. The space was light and airy and wonderful... Can't fault it!

LOCATION

St. Peter's Centre is strategically placed within St. Peter's Quarter, in the heart of the city centre of Derby. We are adjacent to the Westfield Centre and near to the Cathedral Quarter and Riverlights, which overlooks the River Derwent; the river banks continue to be opened up further to ensure that more people can enjoy this special aspect of city centre life.

We provide first class facilities in a building that fuses historical beauty with contemporary style. We enjoy excellent transport links, Derby Bus Station is a 5 minute walk away; Derby Train Station is a 10 minute walk away and Nottingham East Midlands Airport is 25 minutes drive away, making St. Peter's Centre a great place to hold a meeting in the Midlands.

St. Peter's Church is available for concerts, larger conference bookings, and exhibitions
